To Whom It May Concern:

I am pleased to offer my strong support for the Helping Hoosiers Heroes Foundation and its important work serving veterans, first responders, and the next generation of heroes across Indiana.

As Indiana's Secretary of State—and as a veteran myself—I never miss an opportunity to thank a veteran or service member for their sacrifice and service to our state and nation. I understand firsthand the challenges many veterans and first responders face when transitioning to civilian careers or seeking new opportunities, and I deeply value organizations that step up to provide meaningful pathways to success.

The Helping Hoosiers Heroes Foundation is making a real impact by connecting individuals to education, workforce training, credentials, and careers. Their partnerships with local employers and colleges ensure participants are prepared to succeed in today's workforce while strengthening local communities—particularly across LaPorte County and beyond.

Indiana is strongest when we invest in those who have chosen to serve others. The Helping Hoosiers Heroes Foundation embodies that commitment by empowering veterans, first responders, and future heroes. Their mission reflects the very best of Hoosier values: service, hard work, and dedication to community.

I commend the Helping Hoosiers Heroes Foundation for its leadership and impact, and I am proud to support its continued efforts. I encourage others to join me in supporting this outstanding organization and the heroes it serves.

Respectfully,
